REF: FOIA Case F-2019-00113 Appeal

Dear Mr. Welsh:

This is in response to your letter dated 3 September 2019 in which you are appealing the NRO's response to your 8 August 2019 request under the Freedom of Information Act (FOIA) for ***"An electronic copy of the logo for the NROL-39 mission in SVG or EPS file format."***

As the Appellate Authority, and after a thorough review of this case, I am upholding the original determination of **"all responsive documents are provided in PDF format only."** However, in good faith, we are providing a higher quality, PDF color image of the logo for NROL-39.

You are advised that you are entitled to a judicial review of this determination in a United States District Court in accordance with 5 U.S.C. § 552, as amended.

As part of the 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA (not Privacy Act) requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
